**TO:** Director  
Central Intelligence Agency  
Washington, D. C. 20505

1. The Defense Intelligence Agency (DIA) will conduct the Second World-Wide Intelligence Data Handling Systems Conference at Arlington Hall Station from 31 January through 4 February 1966. The Services, the Unified and Specified Commands, and the component organizations with automatic data processing installations are participating. If your Agency also would like to send observers, they would be most welcome.
